PROFESSIONAL
EXPERIENCE

Freelance Web Developer | 2024–Present

Self Employed

- Collaborated directly with clients to gather requirements, define project scope, and deliver customized web solutions aligned with business goals.
- Designed and developed responsive websites using HTML5, CSS3, JavaScript, and modern frameworks such as React / Vue / Bootstrap.
- Built and maintained dynamic web applications using backend technologies such as Node.js / Python and integrated RESTful APIs.

EDUCATION

Moi University | 2024–2028

Bachelor of Science in Informatics

Through my degree, I am gaining experience in:

- Software development and programming
- Web development and modern development frameworks
- Systems analysis and design
- Data structures and algorithms
- Database design and management
- Information systems and business technology integration

Nanyuki High School | 2020–2023

Kenya Certificate of Secondary Education (KCSE)

During my time in high school, I:

- Built a solid foundation in Mathematics, Languages and Sciences.
- Developed critical thinking and analytical skills through structured coursework.
- Participated in academic and extracurricular activities that strengthened teamwork and leadership abilities.
- Cultivated time management and self-discipline through balancing academics and responsibilities.
